The Rules:

- Let's keep it camp appropriate, please!
- This is meant to be completed while still social distancing, so be creative and see how many you can complete from inside your house/outside without going to public places! Use the people who live in your house!

- "How did we fit in here?"
- "Surely this could only mean one thing...Harry Potter had been here..."
- "It was pretty obvious to everyone involved that this was going to end poorly."
- "The breakfast of champions."
- "9/10 dentists recommend..."
- "Whoa, I didn't know that (insert staff name here) had a twin!"
- "How did that get up there?"
- "Wait a second...who ARE you?"
- "But wait, there's more, if you call right now, we'll throw in..."
- "It was in that moment that they realized that they had made the WRONG decision."
- "Well, it could have been worse!"
- "And they all lived happily ever after."
- "Woah, is that Canadian Icon, ____?!"
- "I bet you didn't know I/we were THIS talented!"
- "Can you find us?"
- "Well...that's one way to have a dance party..."
- "Jackpot!"
- "Am I doing it right? No? Hmm..."
- "This is the thing in my house that makes me the happiest."
- "This is the thing in my house that reminds me the most of camp."
